Profile

Profile Summary

Dedicated structural engineer with a strong understanding of design principles and Indian Standard Codes, particularly in RCC, bridge design, and tall buildings. Committed to applying technical knowledge to deliver efficient and sustainable engineering solutions. Skilled in collaborating with teams and addressing engineering challenges with a detail oriented approach.

Education

Master of Technology | Structural Engineering SRM Institute of Science and Technology

 08/2023 – present  CHENNAI, INDIA
CGPA: 9.41

Bachelor of Technology | Civil Engineering Saveetha Institute of Medical and Technical Science

 08/2017 – 12/2021  CHENNAI, INDIA
CGPA: 7.4

Work Experience

Internship Skanska Pvt Ltd.

 06/2021 – 11/2021  MUMBAI, INDIA

- Structural analysis of commercial and residential buildings, ensuring compliance with safety regulations and project specifications.
- Collaborated with architects and contractors to develop innovative solutions, which improved structural integrity while cutting costs by 10%.
- Implemented advanced modeling software, which enhanced our team's efficiency and reduced design errors.
- Conducted site inspections and assessments, ensuring that construction adhered to engineering standards, ultimately increasing client satisfaction.

Certificates

Steel Design, Fabrication and Erection IIEST, Shibpur and INSDAG

 03/2024

- Gained knowledge of steel structural design principles, including load calculations and code compliance.
- Learned techniques for steel fabrication processes, such as cutting, welding, and assembly.
- Acquired practical insights into erection procedures, safety measures, and on-site installation.
- Familiarized with quality assurance practices to ensure structural integrity and durability.

Skills

Structural Analysis
Professional

Compliance with Safety
Regulations
Professional

Advanced Modeling Software
(ETABS,STAAD. PRO, Autocad,
Midas Civil)
Professional

Project management
Professional

Site Inspections
Professional

Strengths

- Collaboration
- Problem-Solving
- Leadership
- Attention to Detail
- Strong Work Ethic
